Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Thursday 25 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry, sunny spells. Wet, windy in north this evening.

Today:
Central and southern Scotland having a dry, sunny morning then clouding over this afternoon. Bright spells and scattered showers over northern Scotland, wintry on hills. Wet, windy weather will extend across northern then western Scotland this evening.

Tonight:
Cloudy with rain, heavy for a time. Clear periods and blustery showers following later tonight, turning wintry over high ground in north. Strong west then northwest winds, coastal gales.

Friday:
Sunny spells and blustery showers during morning. Persistent, heavier rain with snow on high ground extending southwards across Scotland during afternoon and evening. Northerly gales, possibly severe north and west.

Outlook for Saturday to Monday:
Cold Saturday with sunny spells. Wintry showers in north dying out later with winds easing. Mainly dry, sunny, cold Sunday but rain towards West Coast. Cloudier Monday with some rain.
